INTEGRA PRIME SECURITY SERVICES LLC..... 2025

About Us

At Integra Prime Security Services, we are committed to providing top-tier security solutions tailored to the needs of businesses and individuals across the UAE. As a subsidiary of a well-established UK-based security company, we bring over two decades of expertise in security operations and training. Our management team has a collective experience of more than 20 years in the industry, ensuring that our clients receive services backed by knowledge, professionalism, and excellence.

OUR LEGACY AND EXPERIENCE

Founded in the UK in 2018, we have consistently improved our ratings every year in the ACS/SIA audit, placing us among the elite security providers in the UK. Out of 11,000 security companies in the UK, only around 750 have attained the prestigious SIA approval due to its stringent criteria for excellence. This recognition underscores our commitment to the highest industry standards, which we now bring to the UAE market.

FLEXIBLE AND CUSTOMIZED TO YOU

We have been working for over a decade in the security field, and the key to our success lies in the extensive experience of our founders, core management team, and highly trained security staff. By combining bespoke technology with our skilled team, we deliver the best security guarding services in the UK.

PROFESSIONAL AND EXPERIENCED

We have been working for over a decade in the security field, and the key to our success lies in the extensive experience of our founders, core management team, and highly trained security staff. By combining bespoke technology with our skilled team, we deliver the best security guarding services in the UK.

Our Services

KEY HOLDING

At Integra Prime Security Services, we provide a professional Key Holding service to ensure your business or property remains safe and secure at all times. Our trained security personnel securely store a set of your keys, allowing us to respond swiftly to any security incidents, emergencies, or maintenance needs without requiring your presence. This minimizes risk to you and your staff while ensuring round-the-clock protection.

With our rapid response team, we handle alarm activations efficiently, conducting thorough property inspections and taking necessary action to secure the premises. Whether it's a false alarm or a genuine security threat, our team is prepared to manage the situation with professionalism and discretion, giving you complete peace of mind.

CLEANING

At Integra Prime Security Services, we go beyond security to provide top-tier cleaning solutions tailored to meet your needs. Our professional cleaning team is trained to maintain cleanliness and hygiene in commercial, residential, and industrial spaces. Using industry-approved cleaning agents and the latest equipment, we ensure that every environment we service remains spotless, safe, and welcoming.

We offer a wide range of cleaning services, including daily office cleaning, deep sanitization, carpet and upholstery care, and post-construction cleanup. Our team follows strict cleaning protocols, paying close attention to high-touch surfaces and ensuring that all areas are thoroughly disinfected. Whether you need routine cleaning or a one-time deep clean, we customize our services to fit your schedule and requirements.

SECURITY CONSULTANCY

At Integra Prime Security Services, we provide expert security consultancy to help businesses, organizations, and individuals mitigate risks and safeguard their assets. Our team of highly trained professionals conducts comprehensive security assessments, identifying vulnerabilities and designing tailored solutions that align with your unique needs. Whether you require risk analysis, emergency response planning, or advanced security strategy development, we ensure that your security infrastructure is robust, proactive, and effective.

Our consultancy services cover a wide range of industries, including corporate offices, retail establishments, healthcare facilities, and residential properties. We stay ahead of emerging security threats by integrating the latest technologies and industry best practices into our recommendations. With a focus on risk prevention and operational efficiency, we empower our clients with the knowledge and strategies necessary to maintain a secure and resilient environment.

Our Services

RISK ASSESSMENT

At Integra Prime Security Services, we prioritize comprehensive risk assessments to identify potential threats and vulnerabilities before they become security concerns. Our expert team conducts thorough evaluations of each client's environment, analyzing factors such as physical security, operational procedures, and potential cyber threats. By assessing risks proactively, we help businesses, residential communities, and event organizers implement effective security measures tailored to their unique needs.

Our risk assessment process includes site inspections, threat analysis, and security audits to ensure a robust protection strategy. We take a data-driven approach, utilizing industry best practices and cutting-edge technology to mitigate risks efficiently. Whether safeguarding assets, personnel, or sensitive information, our goal is to provide a secure environment that minimizes potential threats and enhances overall safety.

CCTV MONITORING

At Integra Prime Security Services, we provide state-of-the-art CCTV monitoring to ensure the safety and security of your property 24/7. Our highly trained security professionals utilize advanced surveillance technology to detect and respond to potential threats in real time. With strategically placed high-definition cameras, we maintain constant vigilance over residential, commercial, and industrial spaces, minimizing risks and deterring criminal activities before they occur.

Our remote monitoring services offer an extra layer of security, allowing our team to swiftly assess and address incidents as they happen. Whether it's preventing unauthorized access, monitoring employee safety, or securing valuable assets, our CCTV solutions provide peace of mind. Backed by cutting-edge technology and a proactive security approach, Integra Prime Security Services ensures that your property remains protected at all times.
